October 2017

Greetings:

You are receiving this letter as you have hosted Southwest Florida Symphony musicians in the past or expressed interest in doing so. This is my 3rd year coordinating the Symphony's Host Lodging Program and I look forward to working with you. In addition to coordinating housing, I am also the Personnel Manager and 2<sup>nd</sup> oboist with the Southwest Florida Symphony. Thank you in advance for your indispensable contributions to making this upcoming season successful.

As in years past, should you choose to host our musicians, we ask that they be provided with a private bedroom with access to a private bath, a continental breakfast as well as a parking space. At least two days prior to your musician's arrival, you and the musician will receive an email from me advising you of each other's contact information. After that you should get in touch with each other directly in order to discuss access codes (if you live in a gated community), arrival and departure times, and any applicable dietary restrictions.

Please review the information sheet. If you wish to be a member of our community of musician hosts, please return the completed form to my attention at the Symphony Office.

As a thank you, the symphony will provide you with two complimentary tickets per musician to each concert for which you provide housing. Please call the Symphony Box Office (239.418.1500) at least two days prior to the concert. Seating is subject to availability.

Many of our musicians come from as far north as Tallahassee, east as Miami and sometimes from out of state. We must provide them a place to stay during rehearsals and performances. Our Host Program saves the orchestra over \$30,000 a year!

We sincerely hope you will join us. If I can assist you in any way, or you have suggestions for the program, please feel free to contact me.

Thank you,
